

THE TROUGH CAFÉ

Craig's Farm Community Hub welcomes you to our cafe. Our café is part of a unique social enterprise in Livingston.

We provide high quality food and excellent beverages in an informal, relaxing and stylish setting. The café is a community resource and we hope in the future will act as a catalyst to employment for unemployed people by offering paid work placements, training and volunteering opportunities within a catering environment.

All items available to sit in or take away. Prices listed include VAT, take-away items are not subject to VAT.
